Terms and Conditions (valid from 10/2013)

1. All prices are net prices. Prices include delivery to and pickup from the exhibit stand.
2. **The rent for the general stand equipment will be charged for the entire duration of the fair. Rental cancellations can be made only up to August 31st 2017 free of cancellation fees. The whole rental price will be charged for later cancellations.** The rental equipment is available only for the duration of the trade show.
3. The exhibitor's liability for rental equipment will begin upon delivery to the stand and will end with the rental equipment pickup. These terms apply even if the stand is unmanned. The complete rental equipment should be prepared for pickup (including shelves, ice cube trays, glass platters, etc.) and under no circumstances locked up on the pickup date. In the event the rental equipment is not available on the pickup day, contrary to rental agreement, the exhibitor's liability is continued. In this case, it is the exhibitor's obligation to return the merchandise at his own expense. If the rental objects are not returned in time, the lessor may demand the agreed rent for the duration of the withholding as compensation. Further damages are not excluded.
4. **The rental equipment is not insured.** For lost rental objects, the lessee is liable to the amount of the replacement value. For damages, he/she has to refund the repair expenses up to the amount of the replacement value. **It is the responsibility of the renter to provide insurance.**

The rental company reserves the right to substitute equivalent merchandise in exceptional cases. This also applies to late orders.
6. The rental equipment remains the property of the rental company and is not subject to seizure. It can be used only for the intended purpose. Any different or extended use is not allowed. The rental company must be notified of any transfer of rental equipment to other locations. Failure to do so will result in the renter accepting all liability. This applies to any damages caused by moving or construction companies contracted by the exhibitors. **If any other companies transport the appliances, they will assume all responsibilities for any damages and losses of rental equipment.**
