

Your gateway to the world of international exhibitions

## **FLOW & GLX 2026 – Dubai, Dubai Exhibition Centre (DEC), 4 & 5 November 2026 Shaping tomorrow's intelligent supply chains**

We are pleased to invite your company to participate in 1<sup>st</sup> **FLOW**, (**Future of Logistics, Operations and World Trade**) and **GLX (Gulfood Logistics)**, 4 & 5 November, co-located with Gulfood Manufacturing, at Dubai Exhibition Centre, Expo City Dubai. Orange Exhibition Management is the official agent for The Netherlands.

This event is all about connecting the MENA regions supply chain and anyone who needs to move/ store products, with the very best logistics and warehousing solutions.

The event is focusing on these main sectors:

### **FLOW:**

1. Logistics Services connects service providers with shippers, manufacturers and leaders for integrated logistics.
2. Warehouse Solutions focuses on automation, WMS, robotics and smart infrastructure for warehouse projects;
3. Transport Solutions showcases mobility, intelligent fleets and infrastructure for air, land and maritime logistics;
4. Intelligent Supply Chain highlights AI-driven, predictive and connected solutions for supply chain leaders;

### **GLX (Gulfood Logistics):**

1. Refrigeration & HVAC systems manufacturers;
2. Temperature-controlled warehousing & turnkey cold-store developers;
3. Reefer transport, refrigerated trucks & fleet solutions;
4. Cold-chain automation, robotics & materials-handling;
5. Temperature monitoring, IoT sensors & packaging/insulation solutions.

This large-scale event acts as a strategic platform for supply chain visionaries to forge strategic private-public partnerships and pave the way for the future of global trade, logistics and intelligent operations.

This is where the world's logistics and trade government leaders, global investors, forward-thinking tech innovators and industry giants come together to showcase their latest solutions in smart supply chains and beyond.

With the supply chain industry booming, now is the time to showcase your impact and capture growth across freight, warehousing and ai-driven logistics.

With 10,000+ high-profile buyers, 150+ exhibitors, 100+ global investors from 65+ countries, FLOW & GLX is the #1 platform for driving global multi-sector trade forward.

Be part of this transformative event and witness the future of logistics and supply chain unfold.
